STATEMENT OF OBJECTS AND REASONS

Government have decided to relax the restrictions for cutting sandal trees from private lands and grant permission to the land owners to sell their sandal trees through the Forest Department other than those reserved to Government during assignment of such land and those in the notified areas under the Kerala Preservation of Trees Act 1986 (35 of 1986) and the Kerala Forest (Vesting and Management of Ecologically Fragile Lands) Act, 2003 (21 of 2005) so as to promote planting of sandal trees.

2. At present, there is no provision in the Act to compound a forest offence after the institution of the prosecution. Government have therefore decided to incorporate provisions in the Act to compound certain offences with the permission of the Court.

3. The Government have also decided to amend the definition of "Forest Officer" so as to include certain categories of officers and to exclude the categories of officers which do not exist as of now.

4. The Bill seeks to achieve the above object.

FINANCIAL MEMORANDUM

The Bill, if enacted and brought into operation, would not involve any additional expenditure from the Consolidated Fund of the State.

A. K. SASEENDRAN.
